Revenue:				

<u>Description of fiscal impact:</u> HB 384 increases the minimum wage to \$9.05 per hour in Montana on January 1, 2016, to \$10.10 per hour on January 1, 2017, and implements annual adjustments beginning January 1, 2018. There is a fiscal impact to the State of Montana and to the Montana University System to increase pay for any employee making less than the new minimum wage. The bill would increase the contribution and assessments paid by employers to the Unemployment Insurance Trust Fund and to the Employment Security Account. There may also be some impact to local governments.

FISCAL ANALYSIS

Assumptions:

1. The number of workers who would be affected by the proposed increase in minimum wage of \$9.05 January 1, 2016 is shown in the table below. The figures were derived from U.S. Bureau of Labor Statistic reports for SFY 13 (CY 2012, Q3 & Q4 and CY 2013, Q1 & Q2).

Current Hourly Wage	Amount less	% under	Employment	Government	Private	Nonprofit
Range						
	\$9.05	\$9.05		16.25%	74.52%	9.23%
<8.46	\$.59	32.65%	33,961	5,519	25,308	3,135
8.47 - 8.87	\$.18	20.32%	21,132	3,433	15,747	1,950

2. The number of workers who would be affected by the proposed increase in the minimum wage of \$10.10 beginning January 1, 2017 is represented in the following table. The workers listed below are assumed to remain unchanged through FY 2019.

Current	Amount	% under	Employment	Government	Private	Nonprofit
Hourly	less					
Wage Range						
	\$10.10	\$10.10		16.25%	74.52%	9.23%
<8.46	\$1.84	32.65%	33,961	5,519	25,308	3,135
8.47 - 8.87	\$1.43	20.32%	21,132	3,433	15,747	1,950
8.88 - 9.28	\$1.02	20.19%	20,997	3,412	15,647	1,938
9.29 – 9.69	\$.61	15.27%	15,887	2,582	11,839	1,466
9.70 - 10.10	\$.20	11.58%	12,042	1,957	8,974	1,111
Total		100%	104,019	16,903	77,515	9,601

- 3. The minimum wage of \$9.05 would be effective January 1, 2016. The minimum wage would increase to \$10.10 in CY 2017, and is projected to increase to \$10.30 in CY 2018 and to \$10.55 in CY 2019.
- 4. Full time (FT) workers working 2,080 hours make up 36% of the total. Part time (PT) workers working 1,040 hours make up 64% of the total.
- 5. Since the bill has an effective date of January 1, 2016, only one quarter of taxable revenue would be deposited to the Unemployment Insurance Trust Fund FY 2016.
- 6. The contribution rate (schedule III) will remain the same through FY 2019 (.36% Government and 1.52% Private). Nonprofit organizations were excluded from the calculation on impact to the unemployment insurance contribution because they directly reimburse the state for unemployment benefits.
- 7. Total increased contributions to the Unemployment Insurance Trust Fund (39-51-401, MCA) are shown in the following table.

Total Impact for Contribution to Trust Fund HB 384 per State Year

State Year	(FT)	(FT)	(PT)	(PT)	Total
	Government	Private	Government	Private	Impact
FY 2016	\$3,817	\$73,922	\$3,394	\$65,709	\$146,842
FY 2017	\$25,273	\$489,415	\$22,468	\$435,037	\$972,193
FY 2018	\$57,565	\$1,114,706	\$51,174	\$990,855	\$2,214,300
FY 2019	\$60,415	\$1,169,847	\$53,706	\$1,039,869	\$2,323,837

- 8. The amounts that are taxable per 39-51-404, MCA, are deposited to the Employment Security Account (ESA) per 69-51-409, MCA.
- 9. The employer assessment for the Special Administrative Fund is prescribed in 39-51-404, MCA.
 - a. (b) 0.18% of all taxable wages paid by employers assigned a contribution rate other than Rate Class I, Schedules I and II as provided in 39-51-1218, MCA;
 - b. (d) 0.08% of total wages paid by all employers as provided in 39-51-1217, MCA; and
 - c. (e) 0.09% of total wages paid by all employers as provide in 39-51-1212, MCA.
- 10. Total increased revenue to the Employment Security Account (39-51-409, MCA) are shown in the following table.

State	(FT)	(FT)	(PT)	(PT)	(FT)	(PT)	Total

- 11. Approximately 23 permanently authorized positions in the Executive Branch are held by employees who make less than \$9.05 per hour. There are no employees in the Judicial or Legislative Branches who make less than \$9.05 per hour.
- 12. The minimum wage will increase to \$9.05 per hour on January 1, 2016. The cost to bring these employees to \$9.05 per hour plus associated benefits is projected to be \$18,779 in FY 2016.
- 13. Approximately 85 permanently authorized positions in the Executive and Judicial Branches are held by employees who make less than \$10.10 per hour. There are no employees in the Legislative Branch who make less than \$10.10 per hour.
- 14. The minimum wage will increase to \$10.10 per hour on January 1, 2017. The cost to bring these employees to \$10.10 per hour plus associated benefits is projected to be \$82,418 in FY 2017.
- 15. On January 1, 2018, the minimum wage is projected to increase to \$10.30. The estimated cost for this increase including associated benefits is projected to be \$143,877 in FY 2018.
- 16. On January 1, 2019, the minimum wage is projected to increase to \$10.55. The estimated cost to for this increase including associated benefits is projected to be \$184,758 in FY 2019.

Montana University System (MUS)

- 17. All campuses employ student workers who make less than \$10.10 per hour.
- 18. The minimum wage will increase to \$9.05 per hour on January 1, 2016. The cost to bring these workers to \$9.05 per hour plus associated benefits is projected to be \$2,539,983 in FY 2016.
- 19. The minimum wage will increase to \$10.10 per hour in calendar year 2017. The estimated cost to bring MUS employees to \$10.10 per hour plus associated benefits is project to be \$5,219,527 in FY 2017.
- 20. On January 1, 2018, the minimum wage is projected to increase to \$10.30. The estimated cost for this increase including associated benefits is projected to be \$5,727,929 in FY 2018.
- 21. On January 1, 2019, the minimum wage is projected to increase to \$10.55. The estimated cost to for this increase including associated benefits is projected to be \$6,034,396 in FY 2019.

Effect on County or Other Local Revenues or Expenditures:

1. It is assumed the county and other local government entities will have positions and employees whose hourly rate will be increased by increasing the minimum wage. However, the impact to individual local governments or local governments as a whole is not known.
